To,

The Program Director

Conserve My Planet,

The 40 Green Ambassadors of TREAMIS World School under the supervision of Conserve My Planet Program, Schneider Electric India Pvt Ltd. Have done a remarkable job in mitigating the CO2 emission by their unique "Green Cop" activity for our Customers at our Petrol bunk held on 15th September 2011 sharp at 2 PM. The Vehicle owners have expressed their happiness looking at the small but measurable steps taken by the small Green Ambassadors who are going to become the responsible citizens of India. It is a moral lesson to the adult population to live responsibly looking at the initiative of the Green Ambassadors. We appreciate the initiative of Schneider Electric India Pvt Ltd. We wish this campaign all the very best may the Green Ambassadors reach thousand commuters to bring down the amount of Air pollution in the city and thus creating a healthier atmosphere to live in this world.

Warm Wishes for this wonderful campaign,

msceel

Dear Green Ambassadors of Schneider Electric...Congratulations to you since you are doing a wonderful job in order to save Energy and Environment...from today's activity" GREEN COP" our Customers have learnt not only to carry the emission Certificate but also to make it valid by rechecking the emission of their vehicle by time to time My hearty wishes to Schneider Electric India Pvt. Ltd and Kendriya Vidyalaya Hebbal, who have taken a very impressive initiative amongst the commuters..The world is going sick due the pollution.The small steps that you have taken to preserve environment has got a huge impact in the minds of common people. My sincere thanks to the Organizers of this event. Wishing you ALL THE VERY BEST...

With Best Regards,
