

Greens inducted

BGS National Public School, Hulimavu, recently held an induction programme on Conserve my Planet.

The programme was attended by principal S A Nair, vice-principal Sreekala G Kumar and Meena. Sudhir Johri addressed the gathering and stressed on the

importance of reducing waste and consumption of energy. He distributed green ambassador kits that included a green T-shirt, cap, tip card and green passport to the five group captains.

This was followed by cultural events and a sapling plantation in the school premises.

Going green with solar power

In accordance with the theme, 'Go Green, Save Energy', BGS National Public School, Hulimavu, has installed solar panels in their school campus. The panels were inaugurated recently by resident of the Adichunchuniri Mahashikshana Trust Sri

Nirmalanandhanatha Maswami and Prakashnath Swami.

The students presented cultural programmes pertaining to the theme and pledged to make their school, homes and their surroundings green.
