Snapshots - 2014

“It was a fantastic experience interacting with the batch and I look to have more sessions like this in future.”

- Shahab Naqvi

“It was a nice experience to see the Electrical Lab Facility and the Enthusiasm the trainees had for learning new things. Felt good that I was able to do a bit from my side for a good cause.”

- Amit Dubey

Sharing of Feedback

“While interaction with the students, I was moved with their desire to succeed in life and stand up on their own feet in spite of their humble background.”

- Ranjan Kumar (General Manager- N1 Proximity Sales) at GMRVF Training Center - New Delhi

“Thank you for visiting our centre and taken the inputs & suggestion. Looking for your support in development our skill program in a great way . It will help as in giving the quality & effective training for the students.”

- Sitaram Anjaneylu, Program Manager, IL&FS Education

“Thanks for sparing time to providing training to electrician trainees on function and design technology of MCB. Trainees are very happy getting complete knowledge on MCB.”

- B S Rao, Centre Head, SNSF Gurgaon
